Merry Christmas & Happy New Year!

As the year draws to a close, we pause with gratitude.

This Christmas tree is more than a festive symbol; it is a celebration of voices. Each photograph represents an author who has contributed wholeheartedly to **WFY – World For You**, the Indian Diaspora magazine, enriching our pages with stories, perspectives, and conversations that connect Indian origin individuals and communities across the world.

Together, these voices form a global community; diverse in geography, united in thought, and committed to meaningful storytelling beyond borders.

Wishing you a Merry Christmas filled with warmth, peace, and reflection. May the New Year bring new beginnings, shared hope, and stories that continue to inspire.

From all of us at **WFY – World For You**, thank you for reading, supporting, and believing in the power of diaspora narratives.

With gratitude and warm wishes,
